MANAGEMENT OF WHO'S RESOURCES

Resolution EB79.R7 of the Executive Board of the World Health Organization (January 1987) addressed the WHO Director-General's Introduction to the proposed program budget for the financial period 1988-1989. The Board recommended to the Fortieth World Health Assembly that it request the Regional Committees (the PAHO Directing Council in this case) to review the Introduction as well as the relevant comments made at the Assembly. In preparation for this review by the Directing Council the item was included on the provisional agenda of the 99th Meeting of the Executive Committee.

It has now been learned that the Secretariat of WHO is preparing a specific document on this topic, and that it will be reviewed by the Program Committee of the Executive Board before being distributed to the Regional Committees. Therefore, the document will not be available in time to be analyzed by the PAHO Executive Committee. However, the topic will remain on the Provisional Agenda of the XXXII Meeting of the Directing Council, and the document will be considered at that time.
