AMENDMENTS TO THE STAFF RULES OF THE PAN AMERICAN SANITARY BUREAU

The Director has the honor to report to the Directing Council that, pursuant to Staff Regulation 12.2, he submitted to the 61st Meeting of the Executive Committee for confirmation the amendments to the Staff Rules set forth in the Annex to Document CE61/8, which is attached.

They are similar to the amendments that were introduced into the Staff Rules of the World Health Organization by the Director-General and subsequently confirmed by the Executive Board at its 43rd Session, effective 1 January 1969.

After considering the amendments, the 61st Executive Committee adopted the following:

RESOLUTION XVI

"THE EXECUTIVE COMMITTEE.

Having as Members confirmed the proposed amendment to Staff Rule 230.4;

Having been informed that the Director put the new schedule of annual salaries into effect as of 1 January 1969;

Having considered the other amendments to the Staff Rules of the Pan American Sanitary Bureau contained in the Annex to Document CE61/8 submitted by the Director of the Pan American Sanitary Bureau; and

Bearing in mind the provisions of Staff Rule 030,

RESOLVES:

- 1. To note the implementation, effective 1 January 1969, of the amendments to Staff Rules 230.4 and 235 of the Pan American Sanitary Bureau which are included in the Annex to Document CE61/8.
- 2. To approve the other amendments to the Staff Rules of the Pan American Sanitary Bureau, submitted by the Director in the Annex to Document CE61/8, to be effective 1 January 1969."

In view of the foregoing the Directing Council may wish to adopt a resolution along the following lines:

Proposed Resolution

THE DIRECTING COUNCIL,

Bearing in mind the provisions of Staff Regulation 12.2,

RESOLVES:

To take note of the amendments to the Staff Rules of the Pan American Sanitary Bureau presented by the Director in the Annex to Document CE61/8, and approved by the Executive Committee at its 61st Meeting with the effective date of 1 January 1969.

Part C of the aforementioned document reflects the financial implications of the Staff Rule Amendments. In order to resolve this problem the Executive Committee adopted the following resolution regarding the transfer of funds from Part V to other parts of the PAHO Regular Budget for 1969:

RESOLUTION XVIII

"THE EXECUTIVE COMMITTEE.

Having as Members confirmed the proposed amendment to Staff Rule 230.4;

Considering that it is desirable to meet the increased costs arising from the Staff Rules changes included in Document CE61/8 from within the authorized budget level; and

Believing that utilization for this purpose of funds from Part V of the budget intended for the Working Capital Fund would not endanger the financial position of the Organization,

RESOLVES:

To authorize the Director to transfer a maximum of \$300,000 from Part V to other parts of the PAHO regular budget for 1969, as necessary, to meet the above-mentioned additional personnel costs."

The Directing Council will note that the salaries of the Deputy Director and the Assistant Director of the Pan American Sanitary Bureau, dealt with in Part B of Document CE61/8 were examined by the Executive Committee in accordance with Staff Regulation 3.1 and Staff Rule 230.3.

As a result it adopted the following:

RESOLUTION XVII

"THE EXECUTIVE COMMITTEE.

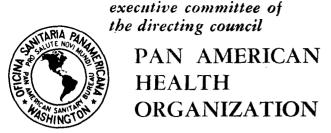

Having considered that the salaries of the Deputy Director and Assistant Director warrant adjustment comparable to those approved for posts in grades P.1 through D.2; and

Bearing in mind Staff Regulation 3.1 and Staff Rule 230.3 of the Pan American Sanitary Bureau,

RESOLVES:

To approve the proposal of the Director fixing the salary of the Deputy Director at \$22,723 per annum and that of the Assistant Director at \$21,723 per annum, effective from 1 January 1969."

It will be noted that the matter of the salary of the Director should be dealt with by the Council in accordance with Staff Rule 230.3, which states that "The salary of the Director is fixed by the Conference or the Directing Council".

Provisional Agenda Item 13

CE61/8 (Eng.) 9 May 1969 ORIGINAL: ENGLISH

A. AMENDMENT TO THE STAFF RULES OF THE PAN AMERICAN SANITARY BUREAU

In accordance with the provision of Staff Rule 030, the Director submits as an Annex to this document for approval by the Executive Committee proposed amendments to the Staff Rules. The reason for these changes in the Rules are explained in the Annex.

Amendment to Rule 230.4 has been submitted and confirmed by the Members of the Executive Committee. In January 1969, letters were sent to the Members of the Executive Committee providing the background for the proposed amendment to Staff Rule 230.4, increasing the salaries of professional and higher categories personnel by 5% as of 1 January 1969. Upon receipt of affirmative replies from the Members of the Executive Committee, the Director implemented the change in the schedule of annual salaries, making the corresponding adjustment in the schedule of post adjustments, Staff Rule 235.

The proposed amendments are in line with those adopted by Resolution 4 of the Executive Board of the World Health Organization at its 43rd Session and are in compliance with Paragraph 2 of Resolution XIX adopted by the Executive Committee of the Pan American Health Organization at its 59th Meeting, which reads as follows:

"To request the Director to continue to introduce changes as he deems necessary to maintain close similarity in the provision of the Staff Rules of the Pan American Sanitary Bureau to those of the World Health Organization."

The Executive Committee may wish to approve a resolution along the following lines:

Proposed Resolution

"THE EXECUTIVE COMMITTEE,

Having as members confirmed the proposed amendment to Staff Rule 230.4;

Having been informed that the Director put the new schedule of annual salaries into effect as of 1 January 1969;

Having considered the other amendments to the Staff Rules of the Pan American Sanitary Bureau contained in the Annex to document CE61/8 submitted by the Director of the Pan American Sanitary Bureau; and

Bearing in mind the provisions of Staff Rule 030,

RESOLVES:

- 1. To note the implementation, effective 1 January 1969, of the amendment; to Staff Rule 230.4 and 235 of the Pan American Sanitary Bureau which are included in the Annex to document CE61/8.
- 2. To approve the other amendments to the Staff Rules of the Pan American Sanitary Bureau, submitted by the Director in the Annex to Document CE61/8, to be effective 1 January 1969*.

E. SALARIES OF THE DEPUTY DIRECTOR AND ASSISTANT DIRECTOR OF THE PAN AMERICAN SANITARY BUREAU

It is to be noted that the amendments to the Staff Rules of the Pan American Sanitary Bureau as presented in the Annex to this document were similar to changes adopted by the World Health Organization Executive Board at its 43rd Session (EB43.R4). At this same meeting the matter of the salaries of the Deputy Director General, Assistant Directors General and Regional Directors of WHO were examined by the Executive Board. In keeping with recommendations by the International Civil Service Advisory Board, the Executive Board established the net salary of the Regional Directors at the rate of \$22,723 per annum, effective from 1 January 1969 (EB43.R3).

In similar situations in 1962 and 1966 the Executive Committee of PAHO at its 46th and 50th Meetings, taking into consideration the dual responsibilities of the Pan American Sanitary Bureau, as secretariat to the Pan American Health Organization and Regional Office of the World Health Organization for the Americas, adjusted the salaries of the Deputy Director and Assistant Director, establishing that of the Deputy Director at the same level of the Regional Directors of WHO.

Considering that PAHO's Staff Regulation 3.1 states "The salaries of the Deputy Director and Assistant Director shall be established by the Director of the Bureau with the approval of the Executive Committee" and a similar provision is included in Staff Rule 230.3, this body may like to follow the same practice and adjust the salaries of the Deputy Director and Assistant Director at the levels of \$22,723 and 21,723 per annum respectively.

In view of the foregoing the Executive Committee may wish to consider a resolution along the following lines:

Proposed Resolution

"THE EXECUTIVE COMMITTEE.

Having considered that the salaries of the Deputy Director and Assistant Director warrant adjustment comparable to those approved for posts in grades P.1 through D.2; and

Bearing in mind Staff Regulation 3.1 and Staff Rule 230.3 of the Pan American Sanitary Bureau.

RESOLVES:

To approve the proposal of the Director fixing the salary of the Deputy Director at \$22,723 per annum and that of the Assistant Director at \$21,723 per annum, effective from 1 January 1969."

C. FINANCIAL IMPLICATIONS OF STAFF RULE AMENDMENTS

In view of the fact that the regular budget of the Pan American Health Organization for 1969 did not include provision for the new salary scales, certain budgetary adjustments were necessary to meet the increased costs of approximately \$300,000.

The above information, together with a proposal that the increase in operating costs be financed by transfer from Budget Part V, intended for the Working Capital Fund, was conveyed to the Members of the Executive Committee in January 1969.

This arrangement, which was applied under similar situations in 1962 and 1966, obviated the need for requesting a supplementary appropriation or an increase in quotas from the Member Governments. Upon receipt of affirmative replies from the Members of the Executive Committee, the Director implemented the requested change in the schedule of annual salaries. After a review of the financial implications resulting from the adoption of other proposed

amendments to the Staff Rules of the Pan American Sanitary Bureau included in this document, it has been concluded that they can be met within the \$300,000 authorized.

In order to record the confirmation already received, the Executive Committee may wish to approve a resolution along the following lines:

Proposed Resolution

"THE EXECUTIVE COMMITTEE,

Having as members confirmed the proposed amendment to Staff Rule 230.4;

Considering that it is desirable to meet the increased costs arising from the Staff Rules changes included in Document CE61/8 from within the authorized budget level; and

Believing that utilization for this purpose of funds from Part V of the budget intended for the Working Capital Fund would not endanger the financial position of the Organization,

RESOLVES:

To authorize the Director to transfer a maximum of \$300,000 from Part V to other Parts of the PAHO regular budget for 1969, as necessary to meet the above-mentioned additional personnel costs.*

Comments

As recommended by ICSAB, endorsed by ACC and approved by the United Nations General Assembly, and later adopted by WHO, the gross salary scales dating from 1 January 1966 have been increased by five per cent and one class of post adjustment has been consolidated into the new base scale.

PRESENT STAFF RULE

235. POST ADJUSTMENT

235.1 For each five per cent by which the cost of living in Geneva or at any other official station exceeds the base level to which the salary scale of staff in the professional category and above is related, such staff at that official station shall be paid a post adjustment as follows:

455

A staff member whose performance has been especially meritorious beyond that which may reasonably be expected of a normally well-qualified staff member, may be granted one, or exceptionally two, extra steps in the scale for his salary level. Such increase shall not affect the staff member s eligibility for normal within-grade increases in his grade and the normal maximum for that grade shall be extended by the amount of any such increase.

Present text remains, but is numbered 455.1.

455.2

A staff member who has completed 20, 25 and 30 years of continuous, satisfactory service qualifies for meritorious increase under Staff Rule 455.1.

This change is similar to that one adopted by WHO in order to recognize long and satisfactory service in the Organization by granting a within-grade increase to staff members after 20, 25 and 30 years service, in application of Staff Rule 455.

(b) for staff entitled to post adjustment, the base pensionable remuneration is adjusted in multiples of five per cent. whenever the weighted average of the post adjustments of the headquarters and regional offices of the member organizations of the Joint Pension Fund varies by five per cent., measured from 1 January 1966.

(b) for staff entitled to post adjustment, the base pensionable remuneration is adjusted in multiples of five per cent. whenever the weighted average of the post adjustments of the headquarters and regional offices of the member organizations of the Joint Pension Fund varies by five per cent., measured from 1 January 1969

The consolidation of one class of post adjustment into the new base scale requires that the base date for calculating future. changes in the weighted average of the post adjustment of headquarters and regional offices of the member organizations of the . Joint Pension Fund should be moved from 1. January 1966 to 1 January 1969

No.

A lump-sum element is added to the installation per diem paid at those field project and regional office locations at which the local conditions, in the opinion of the Director, so warrant. The lump-sum element is designed to compensate in part for additional establishment expenses involved in assignment to these duty stations, particularly where no entitlement to removal of household goods exists. The amount of the lump sum is fixed by agreement among the international organizations concerned.

New Text

A survey carried out by the United Nations Development Programme showed that expenses incurred by staff members when taking up assignments in certain field duty stations were in excess of the amount of the installation per diem. The executive heads of organizations in the Common System of salaries and allowances, including WHO, have agreed to authorize this additional payment (at an amount of US\$300 for staff without dependants and \$600 for those with dependants who accompany them to the duty station), starting in 1969. The lump sum will not be payable for assignment to countries in Europe and North America, nor at certain other specific locations where the conditions do not warrant it.

1030.4 (last sentence) ... The staff member appealing to the Board shall have the right to object to not more than two members from the staff panel and in that event the next members due to serve from that panel shall be called in place of the members to whom objection has been taken.

... The staff member appealing to the Board shall have the right to object to not more than two members, appointed by the Director or from the staff panel. If objection is raised against members from the staff panel, they will be replaced by the next members due to serve from that panel. If objection is raised against members appointed by the Director, they will be replaced by alternates or substitute members appointed by the Director.

Comments

The present text of the Rule allows the appellant to object to not more than two members from the staff panel only. It is now suggested that this right of objection should extend to members of the Board appointed by the Director, while maintaining the total number of objections to two. A similar change was adopted by WHO.
