WORLD HEALTH ORGANIZATION

4th DIRECTING COUNCIL
2nd SESSION OF THE REGIONAL COMMITTEE

Washington D.C., 25 - 30 September 1950

RESOLUTION

CD4.R5

COORDINATION OF REGIONAL PROJECTS AND ACTIVITIES

THE 4th DIRECTING COUNCIL,

Considering that the General Assembly of the United Nations, in its Fourth Meeting, and the Third World Health Assembly have considered the problem of coordination of international agencies; and
Considering that important steps have been taken within the United Nations and the Organization of American States system and by the regional offices of WHO to bring about adequate coordination of activities,

RESOLVES

1 . To recommend to the Member Countries to take, through their health authorities, such measures within their respective governmental structures as may be necessary to facilitate the coordination of international activities.

2. Further, to recommend to the Member Countries that have not already done so [that they create] within their respective health administrations a bureau or office entrusted with the coordination of their international health relations.
