SELECTION OF THE TOPIC FOR THE TECHNICAL DISCUSSIONS TO BE HELD DURING THE XXV MEETING OF THE DIRECTING COUNCIL OF PAHO, XXIX MEETING OF THE REGIONAL COMMITTEE OF WHO FOR THE AMERICAS

It is the responsibility of the Directing Council to select the topic for the Technical Discussions to be held in 1977 at the XXV Meeting of the Directing Council of PAHO, XXIX Meeting of the Regional Committee of WHO for the Americas.

A list is attached of the topics of the PAHO and WHO Technical Discussions since 1951.

The procedure for the selection of the topic for the Technical Discussions is defined in Rules 7 and 8 of the Rules for Technical Discussions, as follows:

Rule 7. The Technical Discussions shall deal with only one subject, which shall be selected each year at the meeting of the Conference or the Directing Council preceding that at which the Technical Discussions are to be held. The Governments and the Director of the Pan American Sanitary Bureau shall be entitled to suggest subjects either prior to those meetings or in the course of them. The Bureau shall inform the Governments of the Organization of the subjects proposed. Both the Conference and the Council shall be entitled to delegate the selection of subjects to the Executive Committee.

Rule 8. The subjects proposed shall be submitted to a working group appointed by the President of the Conference or the Council, as the case may be, which shall be responsible for hearing the proponents and preparing a list of not more than three subjects for submission to the appropriate plenary session.

Annexes: I. PAHO Technical Discussions Topics
II. WHO Technical Discussions Topics
