INFORME SOBRE LA RECAUDACION DE LAS CUOTAS

El Director tiene el honor de presentar un informe sobre el estado de la recaudación de cuotas al 20 de junio de 1989, sometido a la consideración de la 103a Reunión del Comité Ejecutivo (Anexo I). El Informe Financiero Parcial del Director para el Año 1988 (Documento Oficial 227) presenta un cuadro en las páginas 20 al 22 que muestra el estado de la recaudación de las cuotas al 31 de diciembre de 1988. Las contribuciones recibidas durante el período 1 de enero al 20 de junio de 1989 se indican por País Miembro y por fecha de pago en el Anexo II. El Anexo III muestra el estado de las contribuciones de los Miembros que están atrasados por un monto superior a la suma de dos años completos de cotizaciones para el 20 de junio de 1989.

A fin de proporcionar al Consejo Directivo la información más reciente sobre las recaudaciones, se publicará un informe actualizado al respecto antes de la Reunión.

En su 103a Reunión el Comité Ejecutivo consideró el estado de la recaudación de las cuotas y el informe especial de la Secretaría sobre los países atrasados en el pago de sus cuotas en un monto que excede del importe de las correspondientes a dos años completos, y aprobó la Resolución I, cuyo texto es el siguiente:

LA 103a REUNION DEL COMITE EJECUTIVO,

Habiendo considerado el informe del Director sobre la recaudación de las cuotas (Documentos CE103/12 y ADD. I) y el informe facilitado sobre los Gobiernos Miembros que estén atrasados en el pago de sus cuotas hasta el punto de hallarse sujetos a la aplicación del Artículo 6.B de la Constitución de la Organización Panamericana de la Salud;

Tomando nota de las disposiciones del Artículo 6.B de la Constitución de la Organización Panamericana de la Salud respecto de la suspensión de los privilegios de voto de los Gobiernos Miembros que dejan de cumplir sus obligaciones financieras, y la posible aplicación de estas disposiciones a ocho Gobiernos Miembros, y

Observando con inquietud que 29 Gobiernos Miembros no han efectuado ningún pago de las cuotas correspondientes a 1989 y que el monto actualmente adeudado de las cuotas de los años anteriores ha aumentado en comparación con el de 1988,

RESUELVE:

1. Tomar nota del Informe del Director sobre la recaudación de las cuotas (Documento CE103/12 y ADD. I).
2. Agradecer a los Gobiernos Miembros que ya han efectuado los pagos correspondientes a 1989, y encarecer a los demás Gobiernos Miembros que abonen las cuotas pendientes lo antes posible.
3. Recomendar a la XXXIV Reunión del Consejo Directivo que las restricciones relativas al voto contenidas en el Artículo 6.B de la Constitución de la OPS se apliquen en forma estricta en el caso de los Gobiernos Miembros que, al iniciarse dicha reunión, no hayan efectuado pagos adicionales y sustanciales de sus obligaciones de pago.
4. Solicitar al Director que continúe informando a los Gobiernos Miembros acerca de los saldos adeudados y que informe a la XXXIV Reunión del Consejo Directivo acerca de la situación referente a la recaudación de las cuotas.

REPORT ON THE COLLECTION OF QUOTA CONTRIBUTIONS

Report of the Working Party on the Application of  
Article 6.B of the PAHO Constitution

The Working Party appointed to study the application of Article 6.B of the PAHO Constitution, consisting of Chile, Bahamas and Colombia, has reviewed the status of quota collections in the light of the provisions of Article 6.B concerning the suspension of the voting privileges of any Member more than two years in arrears in the payment of its quotas.

The Working Party would like to express its concern that payments relating to quota assessments for prior years have declined and the status of payments towards 1989 assessments also are less than satisfactory. If continued, this payment trend could be damaging to the continuing financial requirements of the Organization.

The Working Party was very pleased to note that the Member Country of Haiti has continued to make sufficient payments toward prior years' arrears so as not to be subject to the application of Article 6.B.

There presently are seven countries who have payment arrears in excess of two full years of assessments: Bolivia, Dominican Republic, Guatemala, Guyana, Nicaragua, Peru, and Suriname.

Bolivia owes a total amount of \$415,895.00, of which \$35,000.00 relates to its 1985 assessment balance and \$91,531.50 to its 1986 assessment. On 25 September, the Minister of Health of Bolivia presented a deferred payment plan to the Secretariat. Under this plan, \$100,000 would be paid in 1989, and in the years 1990 through 1993 payments would total the quota assessment for the current year and 25% of the amount due (or \$78,974) towards quota arrears, or \$78,974 each year for four years and their regular assessment.

The Dominican Republic owes \$483,228.05, of which \$18,048.05 relates to 1984, \$84,285.00 to 1985 and \$91,531.50 to 1986. The Government of the Dominican Republic paid \$50,157.58 on 12 September 1989, but no other payment commitment has been received by the Secretariat. Under the deferred payment plan approved in 1987, the Dominican Republic was committed to pay \$70,000 each year for six years beginning in 1988 and their regular annual quota assessment. Under this payment plan, they now owe \$203,476 in deferred payments.

Guatemala owes a total of \$296,610.00, of which \$7,246.50 relates to 1986. The Secretariat has not received any formal communication with respect to a payment schedule for 1989.

Guyana owes a total of \$362,667.16, of which \$73,303.66 relates to 1986. Guyana has informed the Secretariat that the allocation of foreign exchange towards outstanding assessments for PAHO will be given high priority. However, a plan of payments has not been presented.

Nicaragua owes a total of \$338,101.64, with \$48,738.14 applicable to 1986. A tentative deferred payment plan is being finalized, under which \$98,916 will be paid in 1989, \$106,005 in 1990, \$194,753.64 in 1991 and additional payments in 1992 and 1993. A first payment of \$40,000 was received by the Secretariat on 25 September 1989.

Peru owes \$1,120,280.00, of which \$269,210.00 relates to 1986. No formal commitment of payment has been received as of the opening of the meeting.

Suriname owes \$300,726.50, of which \$9,453.50 relates to 1985 and \$69,995.50 to 1986. The Secretariat has received a payment plan from Suriname under which \$118,449 would be paid in 1989 and \$140,000 in 1990.

The Working Party has studied these payment situations with great care, taking into consideration the recommendation of the 103rd Meeting of the Executive Committee as contained in Resolution I and with due regard to the economic situations currently being faced by the countries mentioned above. The Working Party wishes to support those countries who have made a serious effort to develop and submit deferred payment proposals within their economic situations, Bolivia, Nicaragua and Suriname, and the Working Party wishes to strongly encourage these countries to meet their commitments. On the other hand, the Working Party wishes to ensure that the spirit of Article 6.B of the Constitution is being applied to those Member Countries who at this time have either not met their commitments under previously approved deferred plans or have not formally provided the Secretariat with open payment plans in accordance with their economic situations. These countries are the Dominican Republic, Guatemala, Guyana and Peru.

Therefore, the Working Party wishes to recommend that the representations of Bolivia, Nicaragua, and Suriname be permitted to vote at this meeting of the Directing Council, and that the voting privileges

of the Dominican Republic, Guatemala, Guyana, and Peru be suspended until previous payment commitments under the Dominican Republic's deferred plan are met, and Guatemala, Guyana, and Peru submit acceptable payment plans to the Secretariat. Voting privileges would be restored automatically by these actions.

Noting that two of these four countries are not now present, the Working Party recommends that the Director be asked to notify them of this decision immediately.

The Working Party further recommends that all deferred payment plans be considered firm commitments by the countries concerned and be acted upon accordingly and not modified in the future.
