REPORT ON THE OAS 2009 SCALE OF CONTRIBUTIONS

1. Reference is made to PAHO Resolution CE140.R5 which states that any new assessment scale derived from the new OAS quota scale will be applied to biennia subsequent to the 2008-2009 biennium.
2. On 13 November 2007, the 34th Extraordinary Session of the Organization of American States (OAS) approved Resolution AG/RES. 1 (XXXIV-E/07) which established a revised quota scale for its membership applicable to the years 2009-2011 (copy attached as reference). As stated in PAHO Resolution CE140.R5, the new scale of assessments, based on the approved OAS quota scale, will be developed and presented to PAHO Member States along with the Program Budget proposal beginning with the period 2010-2011.
3. OAS Resolution AG/RES. 1 (XXXIV-E/07) also states that “thereafter, the percentage assessments will be updated every three years according to the same methodology and that the next adjustment in the assessment percentage scale will be effective for the period 2012-2014, based on the latest data available in 2011.”
