**STUDY OF THE RELATIONSHIP BETWEEN SOCIAL SECURITY  
MEDICAL PROGRAMS AND THOSE OF MINISTRIES OF HEALTH  
AND OTHER OFFICIAL HEALTH AGENCIES**

*THE 15<sup>th</sup> DIRECTING COUNCIL,*

Having examined the report of the Director on the relationship between social security medical programs and those of ministries of health or other official health agencies (Document CD15/15);  
Considering that it is necessary to improve the procedures designed to achieve active health planning, extend the coverage of health services, coordinate the financing schemes, and integrate preventive and curative activities; and  
Considering that the social security agencies are in a position to give assistance in the preventive programs of governmental agencies responsible for serving the entire population.

***RESOLVES***

1.To take note of and thank the Director for his report on the relationship between social security medical programs and those of ministries of health or other official health agencies (Document CD15/15).

2.To instruct the Director to continue to provide advisory services to the countries at their request and to promote the coordination of international organizations interested in this subject.

3.To recommend to the Director that he convene a study group to present to the Organization a report containing its views regarding the promotion of better coordination between the public health services and the medical care programs provided by the social security agencies and other organizations, and that he transmit this report to the Governments in due course.

4.To authorize the Director to take into account, when implementing the program and budget for 1965, such new needs as may arise from this resolution.
