DOCUMENTS OF THE MEETING

In order to facilitate the study and consultation of the documents of the 16th Meeting of the Executive Committee, the Secretariat has prepared and distributed three volumes:

Volume I: Contains the working documents on the items of the Agenda submitted to the Executive Committee by the Director of the Pan American Sanitary Bureau.

Volume II: This volume is a loose leaf binder with dividers marked: "Minutes", "Resolutions", and "Other documents" in which participants may keep the documents distributed during the meeting.

The text of the minutes will be provisional subject to the corrections and modifications which the participants may wish to submit to the Secretary within a 48-hour-period after distribution is made. With the modifications introduced, the minutes will be considered approved. The minutes will be edited and reproduced in a single document to be sent to all participants and Member Governments of the Organization after the meeting.

Resolutions will be numbered and reproduced separately as they are approved by the Executive Committee; the texts will be considered provisional and subject to revision by the Drafting Committee. The resolutions will be incorporated in the Final Report to be signed at the closing session of the Meeting and distributed later to all participants and Member Governments of the Organization.

Volume III: This volume contains the Final Report and Minutes of the V Meeting of the Directing Council and the 14th and 15th Meetings of the Executive Committee (Washington, D.C., September-October 1951).
