REPORT ON THE COLLECTION OF QUOTA CONTRIBUTIONS

The Director has the honor to present a report on the status of quota contributions as of 5 May 1972.

In the Financial Report of the Director (Official Document No. 113), there is presented a table showing the status of quota contributions as of 31 December 1971. To provide the Executive Committee with the latest information, the corresponding updated table is attached.

An examination of the table discloses that \$1,607,754 in quota contributions has been received up to 5 May 1972. This compares with \$565,993 received during this period in 1971 and \$1,765,903 received in 1970.

Every effort is being made to urge Member Governments to make payment of quota arrears to avoid exhaustion of the Working Capital Fund.
