17th DIRECTING COUNCIL
19th SESSION OF THE REGIONAL COMMITTEE

Washington D.C., 2 – 12 October 1967

RESOLUTION

CD17.R10

**PARTICIPATION OF THE GOVERNMENTS IN MEETINGS
ORGANIZED BY PAHO/WHO**

THE 17th DIRECTING COUNCIL,

Having considered the document presented by the Government of Cuba on the attendance by the Governments of the Organization at technical meetings organized by it (Document CD17/24);

Bearing in mind that regional technical meetings are to the common benefit of the participants in that they promote an exchange of ideas and experiences and encourage cooperation in the health field for the good of the peoples of the Americas; and

Considering that the Pan American Sanitary Bureau has always made special efforts to secure the active participation of technical personnel from all the countries of the Hemisphere in meetings organized or sponsored by it,

RESOLVES

1. To reaffirm the policy of PAHO/WHO with respect to the importance of regional meetings of technical personnel designed to promote an exchange of ideas about and of experience with the prevalent health problems in the Americas and measures for solving them.

2. To recommend to the Governments that they take the necessary steps to facilitate the attendance of persons invited by the Pan American Sanitary Bureau or designated by the Governments themselves at meetings of this nature that are held in their territories.
3. To recommended to the Director of the Pan American Sanitary Bureau that, when making arrangements for regional meetings of technical personnel, he encourage the attendance of professional workers from all PAHO/WHO countries.
