THE 18th DIRECTING COUNCIL,

Having considered the report on the collection of quota contributions (Document CD18/8 and Addenda I, II, and III,) as well as the information and comments on quotas contained in the Financial Report of the Director and the Report of the External Auditor for 1967 (*Official Document 83*);

Having noted the information in the Financial Report of the Director with respect to Governments in arrears more than two years; and

Considering the importance of prompt and full payment of quota contributions to assure financial support for the entire approved programs,

RESOLVES

To take note of the report on the collection of quota contributions (Document CD18/8 and Addenda I, II, and III,) and of the information and comments on quotas contained in the Financial Report of the Director and the Report of the External Auditor for 1967 (*Official Document 83*);

To commend the Director for his efforts to solve the problem of quotas in arrears.

To commend the Governments for the efforts they made in 1967 and the first nine months of 1968 to pay quotas in arrears and to increase the percentage of the current quotas paid.

To request the Director to continue to submit full reports to the Governments on the status of the collection of quotas and the consequences that failure to pay them has on the execution of the PAHO program.

To recommend to the Governments whose quotas are in arrears that they pay them as soon as possible, and to those whose quotas are two or more years in arrears, that they put into operation their financial plans for the payment of those arrears within a definite period.
