Topic 14: REPORT ON THE COLLECTION OF QUOTA CONTRIBUTIONS

Article V, paragraph 5.7, of the Financial Regulations, provides that the Director shall submit a report to the Directing Council on the collection of quota payments to the budgets of the Pan American Sanitary Bureau.

The XIV Pan American Sanitary Conference, recognizing that the delays in the receipt of contributions limit the development of longrange programs to be undertaken in the Americas, adopted Resolution X , as follows:
"To request Member Governments having outstanding quota balances to make the necessary financial arrangements for the payment thereof, and to emphasize the importance of maintaining future contributions on a current annual basis."

The Director has the honor to submit the attached report (Annex I), reflecting the status of quota contributions as of 31 August 1956, to the Directing Council for information.
