TECHNICAL ADJUSTMENT OF THE SALARY OF THE DIRECTOR AS A CONSEQUENCE OF
CHANGES IN PENSIONABLE REMUNERATION

Introduction

The Fortieth World Health Assembly of WHO, upon the recommendation of the Executive Board and in keeping with the decision of the General Assembly of the United Nations to revise the schedule of salaries for staff in the professional and higher categories, established the annual net salary of the Deputy Director-General of WHO at \$58,938 at the single rate (Resolution WHA40.8) effective 1 April 1987.

It should be pointed out that the recommendation of the Executive Board approved by the World Health Assembly was based on the review carried out by the International Civil Service Commission concerning the staff assessment rates for the professional and higher categories. The review resulted in the revision not only of the staff assessment, but of the schedule of salaries for the above-mentioned categories of staff. The changes in the scale concerned the annual gross salaries; there were no changes to the scale of net salaries at the dependent "D" rates and only very minor changes to the scale of net salaries at the single "S" rate. The budgetary implications of these changes are negligible.

Salary of the Director

The technical adjustments made to salaries for the professional and higher categories for the reason described in the preceding paragraph have called for similar adjustments to the remuneration of the Director.

Accordingly, the Executive Committee at its 99th Meeting dealt with the subject as set forth in Document CE99/3, attached as an annex to this document. The Committee took note of the practice of the Governing Bodies of PAHO to maintain the salary of the Director of PASB at the same level as that of the Deputy Director-General of WHO, and adopted Resolution XI, which reads as follows:

SALARIES FOR THE UNGRADED POSTS

THE 99th MEETING OF THE EXECUTIVE COMMITTEE,

Considering the revision made to the staff assessment rates for the professional and higher categories in graded posts, effective 1 April 1987;

Taking into account the recommendation of the Seventy-ninth Session of the WHO Executive Board to the Fortieth World Health Assembly related to the remuneration of the Regional Director, the Deputy Director-General and the Director-General; and

Bearing in mind Staff Regulation 3.1 of the Pan American Sanitary Bureau and Resolution XX of the XX Meeting of the Directing Council,

RESOLVES:

1. To approve the proposal of the Director, effective 1 April 1987, to:

a) Establish the salary of the Deputy Director at \$53,887 at single rate per annum;

b) Establish the salary of the Assistant Director at \$52,887 at single rate per annum.

2. To recommend to the Directing Council at its XXXII Meeting that it establish the salary of the Director at \$58,938 at single rate per annum, effective 1 April 1987.

After considering the matter, the Directing Council may wish to approve a resolution along the following lines:

Proposed Resolution

Having noted the recommendation of the Executive Committee concerning the salary of the Director of the Pan American Sanitary Bureau (Resolution CE99.R11); and

Bearing in mind the provisions of Staff Rule 330.3,

AMENDMENTS TO THE STAFF RULES OF THE PAN AMERICAN SANITARY BUREAU

In accordance with the provisions of Staff Rule 020, the Director submits to the Executive Committee, as Annex to this document, for confirmation, the amendments to the Staff Rules he has made since the 97th Meeting.

These revisions are in line with those adopted by the Executive Board of the World Health Organization at its Seventy-ninth Session (Resolutions EB79.R10 and 11) and are in compliance with paragraph 2 of Resolution XIX adopted by the Executive Committee at its 59th Meeting (1968), which requested the Director to continue to introduce changes as he deems necessary to maintain close similarity between the provisions of the Staff Rules of PASB and those of WHO.

The amendments result from decisions taken by the United Nations General Assembly at its forty-first session (1986), based on the recommendations of the International Civil Service Commission (ICSC) in its twelfth annual report.

The Annex to this document contains the texts of the amended Staff Rules, the purpose of which is briefly explained below. The effective dates of these changes are 1 January 1987 or 1 April 1987, as appropriate.

The budgetary implications of these amendments are insignificant.

The Executive Committee is invited to consider two proposed resolutions: the first confirms the amendments reproduced in the Annex to this document; the second concerns the revision of the remuneration levels of staff in the ungraded posts.

Amendments considered necessary in the light of decisions taken by the United Nations General Assembly at its forty-first session on the basis of recommendations of the International Civil Service Commission (ICSC)

1. Assessment rates for salaries for the professional and higher categories

As part of its review of the scale of pensionable remuneration, the International Civil Service Commission looked into the appropriateness of the existing staff assessment scale and decided that revisions should be made to the scale to reflect the tax rates applicable currently in the seven headquarters countries. The revised scale was approved by the General Assembly to be introduced with effect from 1 April 1987.

Staff Rule 330.1.1 has been amended accordingly.

2. Assessment rates for salaries in the general service category

New assessment rates also have been established for the general service category of staff, with effect from 1 January 1987. Rule 330.1.2 has been amended to reflect the new rates.

3. The schedule of salaries for the professional and higher categories

As a consequence of the revision of the staff assessment rates for the professional and higher categories (referred to in paragraph 1 above), the schedule of annual gross base salaries and of annual net salaries also requires revision. The major changes in the scale concern the annual gross salaries; there are no changes to the scale of net salaries at the dependent "D" rates and only very minor changes to the scale of net salaries at the single "S" rates. Staff Rule 330.2 has been amended accordingly. The new schedule became effective on 1 April 1987.

4. Salaries for ungraded posts

The technical adjustments to salaries for the professional and higher categories as a consequence of the revision of the staff assessments rates described in the preceding paragraphs call for similar adjustments to the remuneration of the Assistant Director, the Deputy Director and the Director.

Since 1962, it has been the policy of the Executive Committee to set the salary of the Deputy Director at the level of other WHO Regional Directors and that of the Assistant Director at \$1,000 less.

Considering that PASB Staff Regulation Article 3.1 states: "The salaries for the Deputy Director and the Assistant Director shall be determined by the Director of the Bureau with the approval of the Executive Committee," this Body may wish to follow the same practice and

adjust the annual net salary at the single rate of the Deputy Director to \$53,887 and that of the Assistant Director to \$52,887, effective 1 April 1987.

Since 1969, the practice of the Governing Bodies of PAHO has been to maintain the salary of the Director of PASB at the same level as that of the Deputy Director-General of WHO.

The XX Meeting of the Directing Council, in operative paragraph 2 of Resolution XX, requested "the Executive Committee, in case of any future salary adjustments in respect of professional and ungraded categories of posts, to make recommendations to the Conference or the Directing Council concerning the appropriate level of the salary of the Director."

The Executive Committee, following this guide, may wish to recommend to the Directing Council that at its XXXII Meeting it adjust the net salary of the Director at the single rate to \$58,938 per annum, effective 1 April 1987.

Budgetary implications

The budgetary implications of these amendments are insignificant.

Proposed Resolution

AMENDMENTS TO THE STAFF RULES OF THE PAN AMERICAN SANITARY BUREAU

THE 99th MEETING OF THE EXECUTIVE COMMITTEE,

Having considered the amendments to the Staff Rules of the Pan American Sanitary Bureau submitted by the Director in the Annex to Document CE99/3;

RESOLVES:

To confirm the amendments to the Staff Rules of the Pan American Sanitary Bureau submitted by the Director in the Annex to Document CE99/3, with effect from 1 January 1987 concerning the assessment rates for salaries for the general service category, and with effect from 1 April 1987 concerning the assessment rates for salaries for the professional categories, and in consequence the schedule of salaries for the professional and higher categories posts.
