3rd DIRECTING COUNCIL
1st SESSION OF THE REGIONAL COMMITTEE

Washington D.C., 6 - 13 October 1949

RESOLUTION

CD3.R5

**PROGRAM AND BUDGET OF THE REGIONAL OFFICE OF THE
WORLD HEALTH ORGANIZATION**

THE 3rd DIRECTING COUNCIL,

As Regional Committee of the World Health Organization for the Americas,

Considering that there exists in the Region of the Americas the Pan American Sanitary Organization, which carries out its own programs, and has, in addition, an appropriate office engaged in health administration;

Considering that the programs can be readily developed because of the geography of the Region and the similarity of the health problems that exist in this group of nations; and

Considering that it is advisable to take advantage of the existing technical, economic, and administrative services that the Bureau can render to both organizations by coordinating the programs to be carried out in the Region with those of the World Health Organization.

RESOLVES

1. To recommend that the Regional Director, in submitting the program and budget for 1951 to the Director-General of the World Health Organization, take into account the foregoing considerations as they apply to the general policies for this Region.
2. To recommend that the Regional Director likewise consider the requests of the Member Governments in certain specific instances.
