**PAN AMERICAN AND INTER-AMERICAN MEDICAL
CONGRESSES**

THE 3rd DIRECTING COUNCIL,

Considering that it is absolutely necessary to establish adequate standards for organizing national, international, and Pan American medical congresses, whether official or semiofficial, in order to secure greater benefits through coordination and to avoid duplication of efforts,

RECOMMENDS

1. That, in the organization of their work, the national medical congresses adopt the standards set forth by the Coordinating Council of Medical Congresses established in Brussels.
2. That the Director of the Pan American Sanitary Bureau submit to the XIII Pan American Sanitary Conference a draft of rules for inter-American or Pan American medical congresses, official or semiofficial.
