**FINANCIAL PARTICIPATION OF FRANCE, THE NETHERLANDS,  
AND THE UNITED KINGDOM, ON BEHALF OF THEIR  
DEPENDENT TERRITORIES IN THE REGION OF THE AMERICAS,  
IN THE BUDGET OF THE PAN AMERICAN SANITARY  
ORGANIZATION**

*THE 5<sup>th</sup> DIRECTING COUNCIL,*

[Considering that] the Directing Council at its V Meeting has adopted a resolution recommending, inter alia, that the Representative States of non-self-governing territories be granted the vote on budget matters of the Pan American Sanitary Organization provided this vote be contingent upon an equitable contribution being made by them to the Pan American Sanitary Organization budget,

***RESOLVES***

1. To instruct the Director to compute the annual contributions in respect to the territories of France, the Netherlands, and the United Kingdom in the Western Hemisphere, on the following basis:

a) For each group of territories select the Member State whose capacity to pay is most comparable to that of the group;

b) Divide the amount assessed the most comparable Member State by its total population; and

c) Multiply the per capita assessment of the most comparable Member State (derived in step b) by the total population of the respective groups of territories, the resulting sum being the amount of the contribution for the group.

2.To instruct the Director to consult each Representative State in the selection of the Member State whose capacity to pay is most comparable to the group of territories which it represents.

3.To instruct the Director to inform the Executive Committee annually of the manner in which the most comparable Member State was selected.
