**LOCAL PROGRAMS WITHIN COUNTRIES**

*THE 8<sup>th</sup> DIRECTING COUNCIL,*

Considering the fact that many countries still need direct international aid so that they may organize and strengthen their health administrations and assume their own responsibilities in the execution of continental programs,

***RESOLVES***

To recommend to the Director of the Bureau, Regional Director of WHO, and to the Executive Committee that, in the preparation of the proposed programs and budgets of the Organization, they continue to bear in mind the advisability of carrying out local programs in the countries that need and desire such programs.
