RESOLUTION

CD13.R28

GENERAL PROGRAM OF WORK OF PAHO/WHO COVERING THE PERIOD 1962-65

THE 13rd DIRECTING COUNCIL,

Considering that the Fourteenth World Health Assembly, in Resolution WHA14.39, requested "the Director-General, in consultation with the Executive Board and the Regional Committees, to reconsider the question of priorities in program, and to report thereon to the Fifteenth World Health Assembly";

Having considered the General Program of Work of PAHO/WHO covering the period 1962-1965 (Document CD13/27)1 and Priorities in Health Programs (Document CD13/48);

Having taken into account the recommendations of the Act of Bogotá and the Charter of Punta del Este, which placed emphasis on the health component of social and economic development and on the required planning for such development in the next decade; and

Being convinced that improvements in health must continue to lead the way toward economic and social development,

RESOLVES

To reaffirm the priorities for health programs outlined in the General Program of Work of PAHO/WHO covering the period 1962-1965, recognizing that the priorities will be adapted as necessary to the needs established by national health plans and the requests of Member Governments.
