OFFER OF FELLOWSHIP BY SPAIN

THE 28th DIRECTING COUNCIL,

Bearing in mind the report of the Representative of Spain, Permanent Observer to the Council;
Apprised of the offer of 10 fellowships for advanced health studies in 1982 and of the setting aside of 50 residencies of several years' duration for the study of various medical specialties in Spain for Ibero-American university graduates; and

Aware of the importance of the cooperation among countries for the attainment of the goal of health for all by the year 2000,

RESOLVES

1. To thank the Government of Spain for its valuable and disinterested collaboration in improving the qualifications of professionals from the countries of the Americas.
2. To exhort other governments to assess the possibility of their offering collaboration such as that offered by Spain to further the attainment of the goal of health for all by the year 2000.
