**PROVISIONAL DRAFT OF THE PROGRAM BUDGET OF THE WHO  
FOR THE REGION OF THE AMERICAS, 1986-87**

*THE 30<sup>th</sup> DIRECTING COUNCIL,*

Having considered Resolution I of the 93rd Meeting of the Executive Committee and the tentative modified projection of \$58,076,000 of the World Health Organization's funding for the Region of the Americas for the biennium 1986–1987; and

Noting that the proposed amount of \$58,076,000 is \$484,000 less than the original \$58,560,000 regional allocation,

***RESOLVES***

1. To recommend to the Director-General of the World Health Organization the modified proposed provisional distribution of the \$58,076,000 program budget for the Region of the Americas.
2. To request the Director-General to consider the possibility of providing increased support to the program budget in the amount of \$484,000 in order to support the Regional Director's Development Program for Country Activities, which is being established to give the Organization greater flexibility in responding to unexpected changes in the situations of Member Countries which affect

the cost of the programs, and to support those countries that are making genuine efforts to fulfill their obligations by carrying out the policies and strategies they have adopted collectively.

3. To request the Director-General, when formulating his budget, to take into account the views of Member Countries expressed in the Meeting of the Regional Committee for the Americas.
