***RESOLUTION***

**PER DIEM AND TRAVEL EXPENSES OF TECHNICAL  
ASSISTANCE EMPLOYEES**

*THE 6<sup>th</sup> DIRECTING COUNCIL,*

Considering that the payment of per diem and travel expenses to Technical Assistance employees under the policies of the Economic and Social Council of the United Nations for the performance of technical services has created financial and constitutional difficulties; and

Considering these requirements with regard to foreign specialists not only represent an additional expense but also encumber the procedures for engaging experts needed in essential programs,

***RESOLVES***

1. To express the desire of the American public health organizations that negotiations be undertaken in the United Nations to obtain the elimination of the payment of per diem and travel expenses, by the interested countries, to employees sent on Technical Assistance missions.

2. To request the Director of the Bureau to call this resolution to the special attention of the ministries of public health and foreign affairs of the Member Countries.
