PROGRAM AGAINST SMALLPOX IN THE AMERICAS

THE 6th DIRECTING COUNCIL,

Considering that the sum of \$75,000 from the Working Capital Fund has been assigned to the initiation of a supplementary program against smallpox in the Americas in 1953; and

Considering that it is essential, for the success of this supplementary program, to assure its continuity in the years following 1953,

RESOLVES

To authorize the Executive Committee to include the supplementary program against smallpox in the intercountry programs of the Proposed Program and Budget of the Pan American Sanitary Bureau for 1954 and to assign an amount sufficient to assure its continuity.
