***RESOLUTION***

**REMUNERATION OF THE INTERNATIONAL STAFF MEMBERS  
OF THE PASB**

*THE 6<sup>th</sup> DIRECTING COUNCIL,*

Considering that the Directing Council has taken into consideration Resolution II adopted at the 17th Meeting of the Executive Committee;

Considering that it is convinced of the need to promote administrative measures that will benefit equally the international staff members of the Pan American Sanitary Bureau who work at Headquarters and those who work away from Headquarters;

Considering that it has been recognized that there are obvious advantages in having the staff rules and salary schedules of the Pan American Sanitary Bureau uniform with those of the World Health Organization; and

Considering that the adoption of administrative policies identical to those already adopted or that may be adopted by the World Health Organization might, in certain cases, make it difficult to institute provisions that would be equitable and just for the entire staff of the Pan American Sanitary Bureau wherever employed,

*RESOLVES*

1. To request the Director of the Pan American Sanitary Bureau to study the principles that govern the remuneration of the staff members and to transmit his recommendations on the matter to the Executive Committee.
2. To request the Director and the Executive Committee to inform the Directing Council at its VII Meeting of the results of this study.
