RESOLUTION

CD17.R26

COLLECTION OF QUOTA CONTRIBUTIONS

THE 17th DIRECTING COUNCIL,

Having considered the report on the collection of quota contributions (Document CD17/22), as well as the information and comments on quotas contained in the Financial Report of the Director and the Report of the External Auditor for 1966 (Official Document 75);

Noting that the rate of payment of quota arrears is lower than in the previous year;

Recognizing that the rate of collection of current quotas has improved but is still too low;

Considering the importance of the prompt and full payment of quota contributions to assure financial support of the entire approved program,

RESOLVES

1. To take note of the report on the collection of quota contributions (Document CD17/22) and the information and comments on quotas contained in the Financial Report of the Director and the Report of the External Auditor for 1966 (Official Document 75).
2. To commend Governments for the progress made in paying current quotas and urge them to renew their efforts in this respect.
3. To urge Governments which have quotas in arrears to pay them at an early date.

4. To commend the Dire for his efforts to improve the level of quota payments and recommend that he continue to keep Governments informed of the status of quota payments.
