21st SESSION OF THE REGIONAL COMMITTEE

Washington D.C., 29 September – 10 October 1969

RESOLUTION

CD19.R4

COLLECTION OF QUOTA CONTRIBUTION

THE 19th DIRECTING COUNCIL,

Having considered the report on the collection of quota contributions (Document CD19/6 and Addenda I and II), as well as the information and comments on quotas contained in the Financial Report of the Director and the Report of the External Auditor for 1968 (Official Document 91);

Noting with satisfaction that, as a percentage, the total amount in arrears more than one year is the lowest in the last ten years, but noting with concern that the number of countries in arrears more than two years has not diminished; and

Considering the importance of obtaining the full support of all Governments for the program of the Organization through prompt and full payment of quota contributions,

RESOLVES

1. To take note of the report on the collection of quota contributions (Document CD19/6 and Addenda I and II), and of the information and comments on quotas contained in the Financial Report of the Director and the Report of the External Auditor for 1968 (Official Document 91)
2. To thank the Governments and the Director for the success achieved in reducing arrears to the lowest level in many years.

3. To express concern about the number of Governments in arrears more than two years and to recommend to those Governments that they fulfill their financial plans for the payment of arrears within a definite period.
4. To request the Director to continue to inform the Governments of the status of quota collections and to bring to their attention the importance of unanimous support of the program of the Organization through the full and prompt payment of quota contributions by each Member Government
