SALARY OF THE DIRECTOR

It will be noted that in 1969 and 1971 the XIX and XX Meetings of the Directing Council, recognizing the dual responsibilities of the Pan American Sanitary Bureau as the secretariat to the Pan American Health Organization and as the Regional Office of the World Health Organization for the Americas, established the salary of the Director of PASB at the same level as that of the Deputy Director-General of WHO.

The Twenty-seventh World Health Assembly, upon the recommendation of the Executive Board and in keeping with the decision of the General Assembly of the United Nations on the consolidation of five classes of post adjustment into the base salaries of the professional and ungraded categories, adopted Resolution WHA27.5 establishing the salary of the Deputy Director-General of WHO at a level of \$34,550 per annum, effective 1 January 1974.

The XX Meeting of the Directing Council, in operative paragraph 2 of Resolution XX, requested "the Executive Committee, in cases of any future salary adjustments in respect of professional and ungraded categories of posts, to make recommendations to the Conference or the Directing Council concerning the appropriate level of the salary of the Director."

The Executive Committee, following this guide, may wish to recommend to the XIX Pan American Sanitary Conference that it adjust the net salary of the Director to \$34,550 per annum, effective 1 January 1974, in a resolution along the following lines:
