

Global and Regional update as 26th January 2020

26 January 2020

HIGHLIGHTS

- A total of 1997 confirmed cases have been reported for novel coronavirus (2019-nCoV) globally;
- Of the 1997 confirmed cases reported, 1955 cases were reported from China;
- WPRO: Three Special Administrative Regions of China and Six countries (Japan, Republic of Korea, Singapore, Vietnam, Australia and Malaysia). See table #2
- SEARO: 2 countries (Thailand, Nepal). See Table # 2
- EURO: 1 country (France). See Table # 2
- One confirmed case in Vietnam had no travel history to any part of China but was a family member of a confirmed case who visited Wuhan. This suggests an instance of human to human transmission that occurred in Vietnam.
- Fifty-six deaths have been reported to date (see table 2)
- Two official confirmed cases in USA (Washington and Illinois), one case confirmed by unofficial source (California). See Table 1.
- One confirmed case in Canada (Toronto)
- Two countries pending a request for verification: Canada (5 cases in Quebec) and Ecuador (1 case of a Chinese citizen resident in province of Fujian, arriving from Hong Kong)
