85th Session of the Executive Committee

RESOLUTIONS

CE85.R1 The Executive Committee,

Taking into account the information presented by the Secretariat concerning the condition of the Headquarters Governor Shepherd building and on the office space requirements for Area II and the Publications and Documentation Service;

Considering that the Governor Shepherd Building requires substantial and costly repairs and replacement of operating systems, including heating and ventilating, electrical power, plumbing, and elevators;

Considering that a consulting firm of architects, engineers, and planners has conducted a feasibility study of development possibilities for the Governor Shepherd property, and has recommended a number of options for development;

Considering that the Government of Mexico has offered a site for construction of a building to accommodate the offices of Area II and the Publications and Documentation Service; and

Considering that architectural consultants have completed preliminary plans for a building for the Area II Office at an estimated cost of $500,000,

Resolves:

1. With regard to the Governor Shepherd Building:
a) To thank the Director for taking the initiative to analyze the existing and potential problems concerning the Headquarters Governor Shepherd property;

b) To appoint the Representatives of Chile, Jamaica, and the United States of America to constitute a working group to make recommendations to the Director with regard to the development of the Governor Shepherd Building;

c) To request the Director to convene the working group as soon as possible in order to make recommendations to the Executive Committee concerning the Headquarters Governor Shepherd Building.

2. With regard to the Area II office building:

a) To request the Director to seek $250,000 from WHO for construction of a building;

b) To authorize the Director to proceed with contracting for construction of a building at a cost of up to $500,000.
