In implementation of the provisions of Resolution XXXVIII (annexed) adopted at the XVII Meeting of the Directing Council, the Director of the Pan American Sanitary Bureau transmitted to the Member Governments of the Organization the proposed amendment to Article 15-A and the transitional provision, submitted by the Governments of Brazil and Nicaragua.

Up to the time of writing the Governments of the following countries have acknowledged receipt: Argentina, Costa Rica, Dominican Republic, El Salvador, Guatemala, and Haiti. In addition to acknowledging receipt of the above-mentioned letter, the Minister of Public Health and Social Welfare of the Republic of Honduras stated: "This Ministry endorses the proposals of the Governments of Brazil and Nicaragua and hopes that their wish will become a reality".

In addition, Resolution XXXVIII recommended to the 59th Meeting of the Executive Committee that it study the proposed amendment to the Constitution submitted by the Governments of Brazil and Nicaragua, which would increase to nine the number of Member Governments forming the Executive Committee and that it pay special attention to the adaptation to the new composition of the Executive Committee in order to achieve a better geographical distribution among the Member Governments.

The proposed amendment is now submitted to the Executive Committee for review and action, so that it can transmit it to the XVIII Meeting of the Directing Council for a decision. Amendments to the Constitution are governed by Article 28 thereof, which provides as follows:

"Proposals to amend the Constitution shall be communicated to the Member Governments at least three months in advance of their consideration by the Conference or the Council. Amendments shall come into force for all Member Governments when adopted by the Conference by a two-thirds vote of the representatives of all Member Governments or when adopted by the Council by a two-thirds vote of these representatives."
