REPORT OF THE AWARD COMMITTEE, PAHO AWARD FOR ADMINISTRATION, 1976

The Award Committee, comprising Dr. Luis Valle Ureña of Bolivia, Dr. Carlos Lucio Ortega of Argentina, and Ms. Margaret McDonald of The Bahamas, met under the chairmanship of the last named, on Monday, 21 June 1976.

The purpose of the meeting was to review the documents submitted by the Governments of Brazil and Colombia in respect of the candidates presented by those Governments for the PAHO Award for Administration, namely, Dr. Abel Dueñas Padrón and Dr. Ernani Guilherme Fernandes da Motta.

At the first meeting of the Committee it was agreed that additional time was needed to review the documentation thoroughly. A second meeting was convened by the secretary on Thursday, 24 June, under the chairmanship of Ms. McDonald. At that meeting it was unanimously decided that although the two candidates deserved recognition, the activities of Dr. Fernandes da Motta were more closely related to the concepts for which the Award was established. The Committee, therefore, recommends that the recipient of the PAHO Award for Administration, 1976, should be Dr. Ernani Guilherme Fernandes da Motta for his excellent work in administration.

The Committee also recommends that honorable mention be made of Dr. Abel Dueñas Padrón for his outstanding achievements in the area of administration of health services.
