PAHO AWARD FOR ADMINISTRATION, 1979

During the sessions of the 82nd Meeting of the Executive Committee, held in Washington, D.C., from 25 June to 3 July 1979, the Award Committee of the PAHO Award for Administration, after reviewing the documentation submitted by Member Governments and recognizing that the work done by Mr. Antonio J. Sucre unquestionably constitutes a valuable contribution to the improvement of health services in Panama, recommended that the nomination of Mr. Sucre, presented by the Government of Panama in recognition of his participation in a "rural water supply program in Panama, with full community participation," be deferred for consideration in conjunction with other nominations which may be received in 1980.

After hearing the presentation of the report of the Award Committee (Document CE82/5, ADD. I), the Executive Committee took note of the decision and adopted Resolution XX.

The following proposed resolution is presented for the consideration of the Directing Council:

THE DIRECTING COUNCIL,

Having reviewed the Report of the Award Committee of the PAHO Award for Administration and Resolution XX of the 82nd Meeting of the Executive Committee (Document CD26/15 and Annexes),

RESOLVES:

To endorse the decision of the Award Committee that the nomination of Mr. Antonio J. Sucre, presented by the Government of Panama, be deferred for consideration in conjunction with other nominations which may be received in 1980.

PAHO AWARD FOR ADMINISTRATION, 1979

Report of the Award Committee

The Award Committee for the PAHO Award for Administration, made up of Dr. Lelio Bringel Calheiros, of Brasil, Colonel Raul Ampuero Rios, of Peru, and Mr. Hubert Blackett, of Trinidad and Tobago, elected Col. Raul Ampuero Rios as its Chairman. Mr. Miguel A. Segovia (PASB) served as Secretary.

The Award Committee met in the morning of Tuesday, 26 June, to consider the nominations entered by the Member Countries, for which purpose they also received detailed information on the work done by the Secretariat in accordance with the procedures laid down during the 80th Meeting of the Executive Committee.

During their first session they examined closely the criteria governing the Award and the single nomination put forward by the Government of Panama, the candidate for Costa Rica having been withdrawn, to be nominated again next year.

Upon deliberation, the Committee agreed to meet again in the afternoon of Thursday, 28 June. In that meeting the Committee came to the following decision:

Bearing in mind point 11 of the Procedures and Criteria Governing the PAHO Award for Administration, which authorizes the Committee, when only one nomination is received, to defer it for consideration with others received in the ensuing year, and

Recognizing that the work done by Mr. Sucre constitutes and unquestionably valuable contribution to the improvement of health services in Panama,

RECOMMENDS:

That the nomination of Mr. Antonio J. Sucre, presented by the Government of Panama in recognition of his participation in a "rural water supply program in Panama, with full community participation," be deferred for consideration in conjunction with such others as are received in 1980.
