INTERIM FINANCIAL REPORT OF THE DIRECTOR FOR THE YEAR 1990

The Director has the honor to present the Interim Financial Report of the Director for the Year 1990 (Official Document 242, distributed separately). This report contains the details of the financial transactions of the Pan American Health Organization for the period 1 January-31 December 1990 and statements depicting the financial position of the Organization as of 31 December 1990. It also includes financial statements for the Caribbean Epidemiology Center (CAREC), the Caribbean Food and Nutrition Institute (CFNI), and the Institute of Nutrition of Central America and Panama (INCAP).

The Executive Committee at its 107th Meeting considered various aspects of the Organization's financial activities during 1990 and approved Resolution II which reads as follows:

THE 107th MEETING OF THE EXECUTIVE COMMITTEE,

Having examined the Interim Financial Report of the Director for the Year 1990 (Official Document 242);

Expressing satisfaction that the Organization continued to be in a sound financial situation as of 31 December 1990; and

Noting with concern that the Caribbean Food and Nutrition Institute and the Institute of Nutrition of Central America and Panama continue to experience financial problems and that their quota collection status has shown little improvement,

RESOLVES:

1. To take note of the Interim Financial Report of the Director for the Year 1990 (Official Document 242).
2. To transmit the Interim Financial Report of the Director for the Year 1990 to the XXXV Meeting of the Directing Council.
3. To express concern over the impact of delayed payment of quota assessments on the Caribbean Food and Nutrition Institute and the Institute of Nutrition of Central America and Panama, and to request the Director to continue efforts to encourage the member governments of these Centers to meet their quota obligations to these institutions.
4. To congratulate the Director for his success in maintaining the Organization in a sound financial position.
