RESOLUTION

CD15.R29

TRAINING OF AUXILIARY PERSONNEL

THE 15th DIRECTING COUNCIL,

Considering the urgent need to train a sufficient number of auxiliary workers of a caliber to meet the demands of the economic, social, and health situation in each country;

Considering the need to set up guidelines for the training of auxiliary workers and of the persons who will teach them; and

Considering the advisability of determining the types, number, and duties of auxiliary workers in relation to professional personnel and to health programs,

RESOLVES

To instruct the Director to prepare a study on the training of auxiliary workers that may serve as the basis for discussion at a meeting of national authorities experienced or interested in the question, with the collaboration of international experts, for the purpose of presenting, for consideration by the Organization, a policy for the training of auxiliary workers based on the needs of the countries of the Americas.
