WORLD HEALTH ORGANIZATION

16th DIRECTING COUNCIL
17th SESSION OF THE REGIONAL COMMITTEE

Washington D.C., September 27 – 8 October 1965

RESOLUTION

CD16.R15

**THIRD ANNUAL MEETING OF THE INTER-AMERICAN
ECONOMIC AND SOCIAL COUNCIL AT THE EXPERT AND
MINISTERIAL LEVEL**

THE 16th DIRECTING COUNCIL,

Having considered the report of the Director on the Third Annual Meetings of the Inter-American and Social Council at the Expert and the Ministerial Levels, transmitted by the Executive Committee (Document CE52/2, Rev. 1); 1 and

Bearing in mind the recommendations approved by these meetings, especially those relating to health in the Americas,

RESOLVES

1. To note with great satisfaction and interest the report of the Director on the Third Annual Meetings of the Inter-American Economic and Social Council at the Expert and the Ministerial Levels, held in Lima, Peru, from 30 November to 11 December 1964 (Document CE52/2, Rev. 1).

2.To express its satisfaction with the interest shown by the Third Annual Meetings of the Inter-American Economic and Social Council in health in the Americas, and especially the recommendations approved at the Expert Level on foot-and-mouth disease, rural and urban water supply, [and the inclusion of] health investments [in] requests for international loans for land settlement, road building, urbanization, and other programs.

3.To instruct the Director of the Bureau to continue to develop and strengthen relations between the Organization, the Inter-American Economic and Social Council, and the Inter-American Committee on the Alliance for Progress (CIAP), in order to bring about the integration of health activities in economic and social development programs.

4.To urge that the Governments of the Organization include representatives of ministries of health in their delegations to the annual meetings of the Inter-American Economic and Social Council, and that they also endeavor to have included in the agenda of these meetings specific items concerning the participation of the health sector in the dynamic process of development in the countries of the Americas.
