Topic 18: DATES OF THE 20TH AND 21ST MEETINGS OF THE EXECUTIVE
COMMITTEE AND VII MEETING OF THE DIRECTING COUNCIL

Resolution XXV adopted by the Directing Council at its VI Meeting authorizes the Director to convoke the Executive Committee and the Directing Council to meet on the following dates, approximately:

20th Meeting of the Executive Committee:	8-11 September 1953
VII Meeting of the Directing Council :	14-25 September 1953
21st Meeting of the Executive Committee:	25 September 1953

Experience with meetings of the Committee and the Council held at Washington, D. C., in the past indicates that the most suitable meeting place in terms of facilities for secretariat services such as simultaneous interpreting equipment, reproduction equipment, office space and meeting rooms, is the International Conference Suite of the U.S. Department of State. The Department has informed the Director that due to previous commitments these facilities will not be available during September but that it has made arrangements for their use beginning 5 October. In order to be able to take advantage of the conference facilities of the Department of State, the Director wishes to request approval to convoke the above-mentioned meetings on the following dates:

20th Meeting of the Executive Committee:	5-7 October 1953
VII Meeting of the Directing Council :	9-22 October 1953
(including technical discussions)	
21st Meeting of the Executive Committee:	22 October 1953
