Topic 6: REPORT ON THE COLLECTION OF QUOTA CONTRIBUTION

In accordance with Article V, paragraph 5.7 of the Financial Regulations, the Director is required to submit a report to the Directing Council on the collection of quota payments to the budget of the Pan American Sanitary Bureau.

The Directing Council at its VII Meeting adopted a resolution instructing the Director to request, in the name of the Directing Council, that Member Governments make the necessary financial arrangements for payment of all arrearages and the maintenance of future years' contributions on a current annual basis. In compliance with this instruction, on 25 November 1953 the Director sent a communication to the Member Governments. On 10 March 1954, a follow-up letter was sent to the Governments who had not replied as of that date.

A summary of the replies received is indicated following the financial listing of the outstanding balances for the Member Governments as of 21 April 1954.

This report is submitted to the Executive Committee for its information. A report will be submitted to the XIV Pan American Sanitary Conference reflecting the status of quota collections as of 30 September 1954.
