25th DIRECTING COUNCIL

29th SESSION OF THE REGIONAL COMMITTEE

Washington D.C., 27 September – 6 October 1977

RESOLUTION

CD25.R28

TECHNICAL COOPERATION AMONG DEVELOPING COUNTRIES

THE 25th DIRECTING COUNCIL,

Having considered the report of the Director (Document CD25/9) on technical cooperation among developing countries, and that of the Director-General of WHO (Document EB60/7) on the same subject;

Having noted with satisfaction Resolution EB60.R4 of the Executive Board of WHO recommending that programs and activities promote and stimulate cooperation among countries;

Bearing in mind the recommendation in the Final Report of the IV Special Meeting of Ministers of Health of the Americas for "the conduct by countries with similar characteristics of joint programs for the evaluation, selection, and adaptation of appropriate technologies"; and

Considering that subregional groups of countries have acquired valuable and fruitful experience in technical cooperation among countries,

RESOLVES

1. To recommend to the Director that he promote and give the greatest possible support to technical cooperation programs conducted jointly by countries both inside and outside subregional groups.

2. To request that he report annually to the Directing Council on the progress made in coordination between the programs of the Organization and those carried on by countries in the framework of technical cooperation among developing countries.
