### PLACE AND DATE OF THE XVII PAN AMERICAN SANITARY CONFERENCE

In conformity with Article 7-A of the Constitution of the Pan American Health Organization, "the Conference shall normally meet every four years in the country determined by its immediately preceding meeting or by the Council acting on its behalf, on a date fixed by the Director of the Bureau in consultation with the Host Government. No two successive meetings of the Conference shall be held in the same country."

To facilitate a decision by the Conference with respect to this topic, attached to the present document is a list of the places and dates of the previous fifteen Pan American Sanitary Conferences.

The Director is at the disposal of the delegations to answer any inquiries concerning the obligations customarily assumed by the Host Government, those incurred by the Pan American Health Organization, and the financial implications thereof.
