REPORT ON THE COLLECTION OF QUOTA CONTRIBUTIONS

The Director has the honor to present a report on the status of quota contributions as of 22 July 1974.

In the Financial Report of the Director (Official Document 128) there is presented a table showing the status of quota contributions as of 31 December 1973. To provide the Conference with the latest information the corresponding updated table is attached.

The Executive Committee at its 72nd Meeting considered the status of contributions and approved Resolution IV, which reads as follows:

THE EXECUTIVE COMMITTEE,

Having considered the report of the Director on the collection of quota contributions (Document CE72/8 and Addendum);

Having noted that in the first six months of 1974 the amount of quotas received was less than the amount received during the same period the year before;

Noting that of the five countries with approved payment plans for liquidating their arrears only three made payments by the time of the Executive Committee Meeting;

Considering the importance of prompt and full payment of quota contributions to assure financing of the authorized program and budget and to maintain the Organization in a sound cash position;
and

Bearing in mind the provisions of Article 6-B of the PAHO Constitution relating to the suspension of voting privileges of Governments failing to meet their financial obligations,

RESOLVES:

1. To take note of the report of the Director on the collection of quota contributions (Document CE72/8 and Addendum).

2. To thank the Governments that have already made payments in 1974 and to urge the other Governments whose legal circumstances so permit to pay their current quotas as early as possible in the year they are due so that the work of the Organization can continue and the financial burden of its programs be fairly spread among all Members.

3. To again direct the attention of Governments to the provisions of paragraph 5.4 of Article V of the Financial Regulations of PAHO, which in part reads as follows: "Contributions shall be considered as due and payable in full . . . as of the first day of the financial year to which they relate As of 1 January of the following financial year, the unpaid balance of such unpaid contributions shall be considered to be one year in arrears."

4. To recommend to the XIX Pan American Sanitary Conference that it apply the constitutional provisions of Article 6-B to those Member Governments which have not complied with the approved agreements on financial plans for liquidating their arrears at the time the Conference meets.

5. To request the Director to continue to inform the Governments of any balances due and to report to the XIX Pan American Sanitary Conference on the status of the collection of quota contributions.
