SELECTION OF TOPICS FOR THE TECHNICAL DISCUSSIONS DURING THE XVIII MEETING
OF THE DIRECTING COUNCIL, XX MEETING OF THE REGIONAL COMMITTEE OF WHO FOR
THE AMERICAS

Rule 7 of the Rules for Technical Discussions at meetings of the Pan American Sanitary Conference and of the Directing Council provides that:

"The Conference or the Council, as the case may be, shall each year select the topic or topics for the Technical Discussions to be held during the ensuing meeting of either of these two Governing Bodies. The Member Governments and the Director of the Bureau may propose topics prior to those meetings or in the course of them. The Conference or the Council may delegate the selection of topics to the Executive Committee."

The Directing Council is therefore required to select the topic for the Technical Discussions to be held in 1968 at the XVIII Meeting of the Directing Council, XX Meeting of the Regional Committee of WHO for the Americas.

A list of the topics of the Technical Discussions held since 1951 at the Pan American Sanitary Conference, the Meetings of the Directing Council, or the World Health Assembly is attached for the information of the Directing Council.
